29 "SECTION 50. IC 4-33-12-7 IS ADDED TO THE INDIANA CODE
 30 AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY
 31 1, 2001]: **Sec. 7. (a) The social service assistance fund is established**
 32 **for the purpose of making the distributions required under section**
 33 **6(b)(7) of this chapter. The fund consists of:**

34 **(1) money paid into the fund under section 6(b)(7) of this**
 35 **chapter;**

36 **(2) grants, gifts, and donations intended for deposit in the**
 37 **fund; and**

38 **(3) interest that accrues from money in the fund.**

(b) The fund shall be administered by the budget agency. The treasurer of state shall invest the money in the fund not currently needed to meet the obligations of the fund in the same manner as other public funds may be invested. Money in the fund at the end of the state fiscal year does not revert to the state general fund.

(c) Subject to review by the budget committee and approval by the budget agency, the treasurer of state shall distribute money from the fund to public and private entities to provide the services described in section 6(b)(7) of this chapter.

(d) An entity providing a service described in section 6(b)(7) of this chapter may apply to the budget agency for a grant under this section on a form prescribed by the budget agency.

SECTION 51. IC 4-33-12-8 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2001]: Sec. 8. (a) The Lake Michigan property tax relief fund is established for the purpose of providing property tax relief in a county described in subsection (c). The fund consists of:

- (1) money paid into the fund under section 6(b)(8)(A) of this chapter;
- (2) grants, gifts, and donations intended for deposit in the fund; and
- (3) interest that accrues from money in the fund.

(b) The fund shall be administered by the budget agency. The treasurer of state shall invest the money in the fund not currently needed to meet the obligations of the fund in the same manner as other public funds may be invested. Money in the fund at the end of the state fiscal year does not revert to the state general fund.

(c) Subject to review by the budget committee and approval by the budget agency, the treasurer of state shall distribute money for property tax relief in the following counties:

- (1) A county having a population of more than four hundred thousand (400,000) but less than seven hundred thousand (700,000).
- (2) A county having a population of more than one hundred twenty-five thousand (125,000) but less than one hundred twenty-nine thousand (129,000).
- (3) A county having a population of more than one hundred seven thousand (107,000) but less than one hundred eight

1 thousand (108,000).

2 (d) The money in the fund shall, in the manner prescribed in this
3 section, be allocated, distributed, and used by the civil taxing units
4 and school corporations in the counties described in subsection (c)
5 as property tax replacement credits.

6 (e) The amount of property tax replacement credits that each
7 civil taxing unit and school corporation in the counties described
8 in subsection (c) is entitled to receive during a calendar year equals
9 the product of:

10 (1) the amount of revenue deposited in the fund during the
11 previous year; multiplied by

12 (2) a fraction determined as follows:

13 (A) The numerator of the fraction equals the sum of the
14 total property taxes being collected by the civil taxing unit
15 or school corporation during that calendar year.

16 (B) The denominator of the fraction equals the sum of the
17 total property taxes being collected by all civil taxing units
18 and school corporations in the counties described in
19 subsection (c).

20 (f) The state board of tax commissioners shall provide each
21 county auditor with the amount of property tax replacement
22 credits that each civil taxing unit and school corporation in the
23 auditor's county is entitled to receive under this section. The
24 county auditor shall then certify to each civil taxing unit and school
25 corporation the amount of property tax replacement credits it is
26 entitled to receive (after adjustment made under subsection (g))
27 during that calendar year. The county auditor shall also certify
28 these distributions to the county treasurer.

29 (g) If a civil taxing unit or school corporation of a county
30 described in subsection (c) does not impose a property tax levy that
31 is first due and payable in a calendar year in which property tax
32 replacement credits are being distributed, that civil taxing unit or
33 school corporation is entitled to receive a proportion of the
34 property tax replacement credits to be distributed under this
35 section. The amount such a civil taxing unit or school corporation
36 is entitled to receive during that calendar year equals the product
37 of:

38 (1) the amount of revenue deposited in the fund during the

1 previous year; multiplied by

2 (2) a fraction determined as follows:

3 (A) The numerator of the fraction equals the budget of that
4 civil taxing unit or school corporation for that calendar
5 year.

6 (B) The denominator of the fraction equals the aggregate
7 budgets of all civil taxing units and school corporations in
8 the counties described in subsection (c) for that calendar
9 year.

10 If for a calendar year a civil taxing unit or school corporation is
11 allocated property tax replacement credits by this subsection, the
12 formula used in subsection (e) to determine all other civil taxing
13 units' and school corporations' property tax replacement credits
14 shall be changed for that same year by reducing the amount
15 dedicated to providing property tax replacement credits by the
16 amount of property tax replacement credits allocated under this
17 subsection for that same calendar year. The state board of tax
18 commissioners shall make any adjustments required by this
19 subsection and provide them to the appropriate county auditors.

20 (h) In determining the amount of property tax replacement
21 credits civil taxing units and school corporations in a county
22 described in subsection (c) are entitled to receive during a calendar
23 year, the state board of tax commissioners shall consider only
24 property taxes imposed on tangible property that was assessed in
25 the counties described in subsection (c).

26 (i) If a civil taxing unit or a school corporation is located in part
27 in a county that is not described in subsection (c), the property tax
28 replacement credits received under this section shall be used only
29 to reduce the property tax rates that are imposed within the county
30 described in subsection (c) that distributed the property tax
31 replacement credits.

32 (j) A civil taxing unit shall treat any property tax replacement
33 credits that it receives or is to receive during a particular calendar
34 year as a part of its property tax levy for that same calendar year
35 for purposes of fixing its budget and for purposes of the property
36 tax levy limits imposed by IC 6-1.1-18.5.

37 (k) A school corporation shall treat any property tax
38 replacement credits that the school corporation receives or is to

1 receive during a particular calendar year as a part of its property
 2 tax levy for its general fund, debt service fund, capital projects
 3 fund, transportation fund, and special education preschool fund in
 4 proportion to the levy for each of these funds for that same
 5 calendar year for purposes of fixing its budget and for purposes of
 6 the property tax levy limits imposed by IC 6-1.1-19. A school
 7 corporation shall allocate the property tax replacement credits
 8 described in this subsection to all five (5) funds in proportion to the
 9 levy for each fund.

10 SECTION 52. IC 4-33-13-1 IS AMENDED TO READ AS
 11 FOLLOWS [EFFECTIVE JULY 1, 2001]: Sec. 1. (a) A tax is imposed
 12 on the adjusted gross receipts received from gambling games

 32 remitted to the department.

33 (e) The department may allow taxes remitted under this section to
